SUMMARY

Hello, my name is Furkan. I am 25 years old and currently living in Sakarya. I graduated from Düzce University with a degree in Computer Programming in 2022. I am currently continuing my studies in the Business Administration department at Istanbul University's Open Education Faculty. As someone who constantly develops myself in every field and contributes to every environment I am in, I am aiming for a great career. I trust myself in achieving my goals.

WORK EXPERIENCE

TIME CLOCK OPERATOR, FORD OTOSAN

03/2024 - 10/2024

- Personnel records processing, as well as checking the employee's attendance, leave, and other related information, is the responsibility I carry out.

FREELANCE DEVELOPER

2016 - Present

- I have been working as a freelance Full Stack Developer since 2016.

SOFTWARE SPECIALIST, PROWEB ENGINEERING INTERNET TECHNOLOGIES (INTERN)

07/2022 - 10/2022

- I have completed my 3-month university internship. It provided me with knowledge in Flutter and Java.

QUALITY CONTROL STAFF, TOYOTA

12/2018 - 06/2019

- During my 6-month tenure, I learned what quality means in this sector, how it is ensured, how it should be controlled, and how to collaborate effectively with team members.

MEDICAL SALES REPRESENTATIVE, ACON PHARMACEUTICAL

10/2017 - 07/2018

- Working in this sector taught me how to effectively communicate with people, market products tailored to individuals' needs, and most importantly, it taught me ways to be confident.

HOBBIES

- My hobbies include boxing (licensed athlete since 2013), playing the guitar, and reading world classics literature.
