FURKAN KARAGULLE

SOFTWARE DEVELOPER

CONTACT	SUMMARY		
+90 (541) 544 63 54	Hello! Firstly, my name is Furkan Karagulle. I am 24 years old and currently residing in Turkey. I graduated from Düzce University with a degree in Computer Programming in 2022. I have been working as a freelance software developer since around 2016. I possess advanced skills in various embedded systems and programming languages. I am very eager to gain experience in the software field within a corporate
